London SDA Male Voice Choir has been serving the London community since 1979. Our primary role as a Choir is Evangelism. We believe God's Kingdom starts here. It is this belief that prompted us to organise a tour of five West Indian Islands in 1999. You can see pictures of our tour on our Photo Gallery page, accessed via the Photo Gallery link of our web site. Much has been accomplished to God's Glory by our appointments for singing in other Churches and other countries. The Choir has a registered company. Its name is LMVC Business Promotions Limited. The company was started in year 2001. Our aim is to generate funds through the business to foster our outreach projects, which by God's Grace will take us to various parts of God's world, proclaiming His name through singing and evangelism. It is our intention to help students who have difficulty in financing their tuition. This we hope to accomplish through events such as this.

Tickets: £10.00

Senior citizens & Children

Under 14 £5.00
